Environmental Management Cleanup Forum

Presented by
Kim Lebak
President, N3B Los Alamos

September 29, 2021

ENVIRONMENTAL MANAGEMENT
SAFETY ♦ EFFICIENCY ♦ TRANSPARENCY

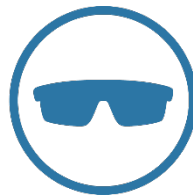

SAFETY IS WHO WE ARE

Safety

- ✓ in completing the work
- ✓ in meeting regulatory requirements
- ✓ in establishing the end-state

N3B is achieving direct and tangible benefits

- ✓ Investigating and closing sites
- ✓ Increasing waste shipments
- ✓ Protecting water resources
- ✓ Responding to emergent issues
- ✓ Investing in workforce trainings
- ✓ Partnering with local leaders

END-STATE VISION

- Surface water and groundwater resources are protected, and water leaving LANL is available without restriction
- Contaminated soils present no current or future risk to site workers or off-site communities
- Legacy waste is disposed off site or remediated in place
- DP Road supports economic redevelopment
- Long-term monitoring and maintenance is comprehensive and effective
- The LANL mission continues
